Old Business

New Business

- 1) No further Provisional information brought in before the deadline for the board to consider and no further Supplemental Absentees received to be counted.
- 2) Dysartsville Precinct had an issue with the voting equipment on election day, therefore after the voted ballots were removed from the emergency bin, 6 ballots had unreadable marks and could not be processed at the precinct on election day. The precinct officials were instructed to place the 6 ballots in a separate bag for the board to examine, duplicate and place in the Dysartsville tabulator adding those 6 ballots to the election day totals. Della Watson motioned to approve the canvass of the November 8, 2022 General Election, seconded by JR Hachadurian. No discussion. The motion carried unanimously 5-0.
Abstracts were signed and will be submitted to the state.
